Tac-A Glove

The Tac-A is a basic tactical glove with advanced design. Synthetic suede palm and gussets. PU leather grip pads, pull tab, and hook-and-loop closure at the wrist. Tactical-Touch™ fingertips allow maximum dexterity and precise fingertip feel. Imported.

59300 Tac-A - Black
S-2XL

Tac-AK Glove

The Tac-AK glove features a Kevlar® and leather construction. Kevlar® provides extra protection from cuts and scratches. A natural cow leather palm, and gussets allow breathability and natural fit. Leather grip pads, pull tab, and hook-and-loop closure at the wrist. Tactical-Touch™ fingertips provide excellent dexterity and fine-motor control. Leather knuckle pad. Imported.

59302 Tac-AK - Black
S-2XL

Tac-NFO

The Tac-NFO is an enhanced flight glove with performance strictly in mind. 5.11's Tactical-Touch™ provides the dexterity and comfort that each operator needs while a Nomex® fabric offers enhanced heat and flame resistance. A full cow leather palm, with additional leather layers in high-friction areas, provides durability and form-fitting flexibility. The leather wraps over the fingers, leaving the fingertips free of seams. A leather pull-tab makes getting the gloves on easier. Imported.

59304 Tac-NFO - Black, Coyote
S-2XL

Tac-NFOE

The Tac-NFOE is a full-length, enhanced flight glove. 5.11's Tactical-Touch™ provides the dexterity and comfort that each operator needs while a Nomex® fabric offers enhanced heat and flame resistance. The glove extends approximately 4 inches up the arm from the wrist. Wrist is elasticized with a hook-and-loop closure to help the glove remain in place. A pull-tab makes getting the glove on easier. A full cow leather palm, with leather reinforcements and fingertips that are free of seams make this THE glove for your next high-speed venture. Imported.

59305 Tac-NFOE - Black, Coyote
S-2XL

Centurion Patrol Glove

The Centurion is our basic deerskin leather patrol glove. It is designed to provide some protection while on duty, yet achieve very high levels of dexterity. A Coolmax® lining helps keep you comfortable and dry, features Tactical-Touch™ finger design. Imported.

59307 Centurion - Black
S-2XL

Gladiator Patrol Glove

The Gladiator is lined with Spectra® knit, a cut and slash resistant material. It is designed to provide slash resistance for duty yet retain a high level of dexterity. Developed to perform in Law Enforcement's day-to-day environments. Made from deerskin leather and Spectra® knit. Tactical-Touch™ finger design. Imported.

59308 Gladiator - Black
